How to File Your Appeal

1. Contact your town's tax assessor office to request a property tax appeal form, as Carroll County has fourteen towns with individual assessor offices. If you need the county office for general information, call (603) 539-2428.
2. Collect evidence of recent arms-length sales of similar properties in your area from around April 1st of the tax year, showing that your assessment exceeds market value by 10% or more.
3. Consider hiring a licensed appraiser to provide an independent valuation of your property as of April 1st of the tax year, which will help meet your burden of proof for the appeal.
4. Fill out the property tax abatement application completely with original signatures, including all supporting documentation such as comparable sales data and appraisals.
5. File your original abatement application with your town's Board of Assessors between receipt of your final tax bill and March 1, 2026. Do not submit photocopies, faxes, or emailed applications.
6. Your town must respond by July 1, 2026 if your tax bill was issued before December 31, 2025. If no response is received by this date, your application is deemed denied.
7. If denied or not acted upon, appeal to the NH Board of Tax and Land Appeals at 107 Pleasant Street, Concord, NH 03301 with a $65 filing fee by September 1, 2026.
8. Alternatively, you may file a petition for abatement in Superior Court by September 1, 2026 if you prefer judicial review over the administrative appeal process.

If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 9 Shaw View Rd is currently appraised by the county at $698,000. However, I've gathered 12 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $208. Applied to my home's 0 square feet, this supports a market value of approximately $583,333. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
