How to File Your Appeal

1. Call your town's assessor office to request an abatement application form, as New Hampshire doesn't handle property tax appeals at the county level. If you need the correct town office number, call the Hillsborough County offices at (603) 627-5600 for guidance.
2. Request the official property tax abatement application form from your municipality, which must be filed after you receive your final tax bill (typically November or December) and before March 1, 2026.
3. Compile evidence of your property's market value as of April 1, 2025, including recent comparable sales, appraisals, or documentation of any physical data errors in the assessment.
4. File your completed abatement application with your town's assessor office by March 1, 2026, including all supporting documentation and ensuring you use original signatures (no photocopies or emails).
5. Wait for your municipality's decision, which must be issued by July 1, 2026. If no response is received by this date, your application is automatically deemed denied.

6. If denied or deemed denied, file Form A-9 (RSA 76:16-a Property Tax Appeal) with the NH Board of Tax and Land Appeals at 107 Pleasant Street, Concord, NH 03301 by September 1, 2026, including a $65 filing fee.

If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 20 Dodge St is currently appraised by the county at $441,000. However, I've gathered 10 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $187. Applied to my home's 2,250 square feet, this supports a market value of approximately $419,733. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
