APPEAL NOT RECOMMENDED

Your county has appraised your property at $482,432. Your annual property tax of $2,792.63 reflects an effective tax rate of 0.58%. Without comparable sales data available for your specific property, we cannot determine whether the county's valuation is above or below market value. We do not see sufficient evidence to support a formal appeal at this time. We recommend reviewing your annual assessment notice when it arrives and comparing it to recent sales of similar homes in your area.

How to File Your Appeal

1. Call the VILAS County Assessor's Office at (715) 479-3696 and ask for a property tax appeal form. Explain that you want to appeal your 2026 property tax assessment and need information about filing deadlines and requirements.
2. Collect evidence to support your appeal including recent sales of similar properties in your area that sold for less than your assessed value, photos and repair estimates documenting any property issues, and verification of any errors in square footage, features, or lot size recorded for your property.
3. Complete Form PA-115A (Objection to Real Property Assessment) which you must submit to your municipal clerk. This form is available from your municipal clerk or can be downloaded from the Wisconsin Department of Revenue website.
4. Provide the Board of Review clerk with written or oral notice of intent to file an objection at least 48 hours before the first scheduled Board of Review meeting. Board of Review sessions generally take place late May to mid-June. Contact your municipal clerk to confirm the exact date for your municipality.
5. File your completed written and signed Objection Form for Real Property Assessment (PA-115A) with the Board of Review clerk prior to or during the first two hours of the Board of Review's first scheduled meeting. Include all supporting documentation with your filing.
6. Present your evidence to the Board of Review at your scheduled hearing, where the Board will review your appeal and can change the assessment if they agree with your evidence. Be prepared to provide sworn oral testimony about your property's value.
7. If unsuccessful at the Board of Review, you can appeal to the Wisconsin Department of Revenue under state law (sec. 70.85, Wis. Stats.), but only if you first appeared before the Board of Review. If no further administrative appeals can be made, you can appeal your VILAS County tax assessment in court.

If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 9540 Cliffs Trl, currently appraised at $482,432. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

Tips: Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
