How to File Your Appeal

1. Call your municipality's Board of Assessors in Essex County to request property record cards and comparable sales data. The Town of Essex Assessors can be reached at (978) 768-7831, but contact your specific town if you live elsewhere in Essex County.
2. Compare your property's assessed value on your third quarter tax bill (received in January 2026) with recent sales of similar properties in your neighborhood. Look for errors in square footage, number of rooms, or property condition on your property record card.
3. Download State Tax Form 128 (Application for Abatement of Real Property Tax) from Contact the Essex County Assessor's Office at (617) 727-3100 for current filing information and forms or pick up a copy from your local assessor's office before February 2, 2026.
4. Fill out Form 128 completely, including your reason for appeal (overvaluation, disproportionate assessment, incorrect classification, or errors). Attach supporting documentation such as comparable sales analysis, photos, or appraisals dated as of January 1, 2025.
5. Submit your completed Form 128 to your local Board of Assessors by February 2, 2026 at 4:00 PM. File in person for a date-stamped receipt, or mail via certified mail to ensure proof of timely filing. If this link doesn't work, call your local assessor.
6. Allow assessors to inspect your property within 30 days if requested, and provide any additional information they require. Failure to cooperate will result in automatic denial and loss of appeal rights to the Appellate Tax Board.
7. The assessors have 3 months to decide on your application. Continue paying your taxes in full and on time to preserve your appeal rights. If denied or no decision is made within 3 months, you can appeal to the Appellate Tax Board.

If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 500 Parkland Ave is currently appraised by the county at $733,500. However, I've gathered 4 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $121. Applied to my home's 4,300 square feet, this supports a market value of approximately $519,802. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
