How to File Your Appeal

1. Call your local town or city assessor's office first since Strafford County property tax appeals are handled by each municipality, not at the county level.
2. Request your complete property record card from your local assessor to verify all property information is accurate, as this data determines your assessment.
3. Review the Evidence Packet included with this filing guide — it contains comparable sales data already prepared for your appeal. Bring it to your hearing.
4. File written abatement application with your town or city assessor after receiving your final 2025 tax bill but before the March 1, 2026 deadline, including original signature and supporting evidence.

5. Include comparable sales data, professional appraisal if available, photographs of property condition issues, and detailed explanation of why assessment exceeds fair market value by more than 10%.

6. If denied or no response by July 1, 2026, appeal to NH Board of Tax and Land Appeals at 107 Pleasant Street, Concord, NH 03301 with $65 filing fee by September 1, 2026.

If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 333 Dover Point Road is currently appraised by the county at $664,000. However, I've gathered 4 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $314. Applied to my home's 1,674 square feet, this supports a market value of approximately $524,983. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
