1. Visit https://sussexcountyde.gov/board-assessment-review to download the official appeal application form for the 2026 tax year. If this link doesn't work, call (302) 855-7824 to request the form be mailed to you.
2. Fill out one separate application for each property you wish to appeal, including comparable sales data with specific parcel numbers, owners' names, and addresses. You must list at least 3 but not more than 6 comparable sales sold between January 1, 2021 and June 30, 2023.
3. Email assessment@sussexcountyde.gov to request your property record card, which contains detailed property characteristics needed for your appeal. Include your parcel identification number in the request, as incomplete requests will not be processed.
4. Collect all supporting evidence including professional appraisals (prepared by Delaware-licensed appraisers), recent photographs of property condition, and construction cost receipts. Online valuation estimates from Zillow, Redfin, or similar sites are not accepted as evidence.
5. Submit your completed application and all supporting documentation by email or hand delivery to the Assessment Office at 2 The Circle, Georgetown, DE 19947 by 4:30 PM on March 15, 2026. Postmarks are not accepted, so the application must be physically received by the deadline.

7. The Board of Assessment Review will issue a written decision on your appeal, which will be communicated by your preferred method of contact. If approved, your revised assessment will be incorporated into your 2026 tax bill.

## If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 25050 Tanager Lane. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

**Tips:** Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

**Note:** Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
