Valuation Analysis

The subject property at 110 Clifton Dr, Vicksburg, MS 39183 is a 2,966 sq ft Residential constructed in 2010, situated on a 8,177 sq ft lot.

A search of recent residential sales within 5 miles identified 14 comparable properties sold within the past 24 months. These properties range from 1,720 to 3,466 sq ft. The median estimated value per square foot among these comparables is $120. Note: An expanded search radius was used due to limited comparable sales in the immediate area.

Applying the 25th percentile price of $73 per square foot to the subject property's 2,966 sq ft yields a market value estimate of approximately $215,511. The county's current appraised value of $272,410 exceeds this estimate by $56,899 (20.9%). At an effective tax rate of 1.13%, this overassessment represents approximately $642 in excess annual property taxes.

The comparable properties used in this analysis are detailed in the table below. All properties are residential, sold within 24 months, and located within 5 miles of the subject property.

Note: MS does not publicly disclose sale prices. Comparable values shown are estimated market values derived from property and market data.

Additionally, environmental or locational factors affecting this property may further impact its market value. These factors are detailed in the Filing Guide included with this packet.
