If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 110 Clifton Dr is currently appraised by the county at $272,410, resulting in a taxable assessed value of $27,241 at MS's 10% assessment ratio. However, I've gathered 14 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $73. Applied to my home's 2,966 square feet, this supports a market value of approximately $215,511. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

Tips: Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
