## If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 2511 N 129Th St is currently appraised by the county at $250,800. However, I've gathered 6 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $142. Applied to my home's 1,640 square feet, this supports a market value of approximately $233,165. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

**Tips:** Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

**Note:** Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
