How to File Your Appeal

1. Call the Rio Arriba County Assessor's Office at (575) 588-7726 to request a property tax appeal form and confirm the deadline for filing your appeal.
2. Carefully review your Notice of Value that was mailed by the assessor's office to verify the assessed value and property details are accurate.
3. Collect evidence to support a lower valuation including recent comparable sales, appraisal reports, photos of property condition issues, and any documentation showing errors in property characteristics.
4. Fill out the property tax appeal petition form obtained from the assessor's office, clearly stating your grounds for protest and the relief requested.
5. File your completed appeal petition with supporting documents to the Rio Arriba County Assessor's Office at 1122 Industrial Park Road, Tierra Amarilla, NM 87575 within 30 days of receiving your Notice of Value.
6. The assessor's office will review your appeal and may attempt to resolve the issue informally within 30-60 days before scheduling a formal hearing if necessary.
7. If informal resolution fails, attend the formal hearing to present your evidence and arguments for why your property valuation should be reduced.
8. Check your property tax bill issued November 1st to see if any valuation reduction from your appeal has been applied to reduce your taxes.

If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 302 Esparza Ln, currently appraised at $31,760. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

Tips: Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
