Property Tax Exemptions & Credits You May Qualify For

Based on your property in Philadelphia County, Pennsylvania, we have identified the following property tax exemption and credit programs that may apply to you. Each program listed below includes eligibility requirements, estimated savings, and instructions for how to apply.

Since we do not collect personal information such as age or veteran status, each program below is listed as "If you qualify..." so you can identify which programs may apply to your household.

Homestead/Farmstead Exclusion

Reduces the assessed value of your primary residence by a uniform amount determined by your school district, funded by gaming revenue. The exclusion amount varies by school district.

Estimated Savings: $100-$600/year (varies by school district)

Eligibility: Must own and occupy the property as your primary residence. Must file an application with your county.
Deadline: March 1 (varies by county)
Form: Application varies by county assessor
Apply: https://dced.pa.gov/programs/property-tax-relief/
The exclusion amount is funded by casino gaming revenue and varies significantly between school districts. File with your county assessor's office. Must be filed once; no annual renewal needed.

Property Tax/Rent Rebate Program

Cash rebate of up to $1,000 for qualifying seniors (recently expanded). Provides a direct rebate check, not an exemption on the tax bill.

Estimated Savings: Up to $1,000/year rebate

Eligibility: Must be 65 or older (or 50+ surviving spouse, or 18+ with disability). Maximum income limit of $45,000 for homeowners. Social Security income is excluded from the income calculation.
Income Limit: $45,000 (half of Social Security excluded)
Deadline: June 30 annually (extended to December 31 in some years)
Form: PA-1000
Apply:
https://www.revenue.pa.gov/IncentivesCreditsPrograms/PropertyTaxRentRebateProgram/Pages/default.aspx
This is a state-funded rebate program, not a local exemption. Apply through the PA Department of Revenue. The program was recently expanded with higher income limits and rebate amounts.

Disabled Veterans Real Estate Tax Exemption

Full exemption from all real estate taxes for 100% disabled veterans.

Estimated Savings: Full property tax exemption

Eligibility: Must be a veteran with 100% service-connected disability. Must have an honorable discharge. Must own and occupy the property as primary residence.
Deadline: Apply to your county Board of Assessment
Form: Application through county Board of Assessment
Apply: https://www.dmva.pa.gov/Veterans/Pages/Programs-for-Veterans.aspx

Surviving unremarried spouses of qualifying veterans are also eligible. This is a complete exemption from all real property taxes.

Property Tax/Rent Rebate (Disability)
Same program as the senior rebate. Available to persons 18 or older with disabilities.

Estimated Savings: Up to $1,000/year rebate

Eligibility: Must be 18 or older with a qualifying disability. Income limit of $45,000 for homeowners (half of Social Security excluded).
Income Limit: $45,000
Deadline: June 30 annually
Form: PA-1000
Apply:
https://www.revenue.pa.gov/IncentivesCreditsPrograms/PropertyTaxRentRebateProgram/Pages/default.aspx
Same application and process as the senior program.

Surviving Spouse Rebate
Surviving spouses age 50 or older qualify for the Property Tax/Rent Rebate Program.

Estimated Savings: Up to $1,000/year rebate

Eligibility: Must be a surviving spouse age 50 or older. Income limit of $45,000.
Deadline: June 30 annually
Form: PA-1000
Apply:
https://www.revenue.pa.gov/IncentivesCreditsPrograms/PropertyTaxRentRebateProgram/Pages/default.aspx
Part of the same Property Tax/Rent Rebate Program.

Assessment Cap/Freeze
Pennsylvania does not have a statewide assessment cap. Some counties reassess infrequently (decades apart), which provides a de facto cap. Individual school districts may offer additional property tax relief from gaming funds.

Clean and Green (Agricultural Use Assessment)
Land devoted to agricultural use, agricultural reserve, or forest reserve is assessed at its use value rather than market value.

Estimated Savings: Often reduces land assessment by 50-90%

Eligibility: Must have at least 10 acres of farmland, 10 acres of forest reserve, or 10 acres of agricultural reserve. Land must be currently in qualifying use.

These programs are independent of your property assessment. You can apply for exemptions regardless of whether you file a property tax appeal. Even if your assessment is accurate, you may be overpaying taxes simply because you have not applied for exemptions you qualify for.

Exemption programs and eligibility requirements change periodically. The information above is current as of 2026-03. Verify current requirements with your county assessor's office before applying.

Reassessment Protection Guide

Understanding what triggers a reassessment of your property can help you protect your current assessed value and avoid unexpected tax increases.

Actions That May Trigger Reassessment

- **Building permits:** Pulling a permit for renovations, additions, or structural changes will typically notify the assessor of improvements to your property.
- **Major visible renovations:** Exterior improvements such as new roofing, siding, additions, or added structures (pools, garages, ADUs) may prompt a reassessment even without a permit.
- **Listing on MLS:** Listing your home for sale, even temporarily, can expose a higher market value to the assessor, especially if the listing price significantly exceeds your current assessed value.
- **Refinance appraisals:** In some jurisdictions, a high appraisal obtained during refinancing can become part of the public record and influence your assessment.
- **Insurance rebuild valuations:** Replacement cost estimates from insurance claims can signal a higher property value.
- **Adding structures:** Pools, accessory dwelling units (ADUs), detached garages, and other permanent structures increase your property's value.

How to Protect Your Current Assessment

- **Document your home's current condition:** Take dated photos showing any deferred maintenance, needed repairs, or functional issues. This documentation can support a lower valuation if challenged.
- **Keep records of needed repairs:** Maintain a list of deferred maintenance items (aging HVAC, roof wear, plumbing issues). These reduce your home's value relative to comparable properties.
- **Understand your reassessment schedule:** Know when your county's next reassessment year is so you are not caught off guard by changes.
- **Review your annual assessment notice:** When you receive your notice of assessed value, compare it to the prior year and to recent comparable sales in your neighborhood.

Your state's reassessment cycle: Pennsylvania reassesses property on a annual basis. Understanding this cycle helps you anticipate when your assessment might change.

What to Do If Your Assessment Increases

If your assessed value increases significantly, you have the right to appeal. The key steps are:

- Review your appeal deadline (see the Appeal Window section of this packet)
- Gather comparable sales data showing your home's actual market value
- Document any property-specific factors that reduce value (condition issues, location drawbacks, functional obsolescence)
- File your appeal before the deadline

Understanding Your Property Tax Bill

Your property tax bill includes more than just the base property tax. Understanding each component helps you identify which charges can be challenged and where potential savings exist.

Your Tax Breakdown at a Glance

Based on your current assessment of **$182,800** and annual tax of **$1,159.03**, your effective tax rate is approximately **0.63%**.

The effective rate includes all taxing jurisdictions (school district, county, city, and special districts) combined.

How Your Tax Is Calculated

The core formula is: **Assessed Value x Tax Rate = Base Property Tax**. Your total bill then adds special district assessments, voter-approved bonds, and various fees on top of this base amount.

Common Line Items You May See

- **School district levy:** Typically the largest portion (often 40-50% of total). Funds local public schools and sometimes community colleges.
- **County general fund:** Covers county services including roads, courts, public safety, and administration.
- **City/municipal tax:** Funds city services such as police, fire, parks, and infrastructure. Only applies if you live within city limits.
- **Fire/emergency services district:** Funds local fire protection and emergency medical services. Common in unincorporated areas.
- **Library district:** Funds local library operations and programs.
- **Stormwater/drainage fees:** Based on impervious surface area. Some jurisdictions bill these separately from the tax bill.
- **Voter-approved bonds:** Debt service on bonds approved by voters for schools, infrastructure, parks, or other public projects.
- **Solid waste assessment:** Some jurisdictions include trash collection fees on the property tax bill.
- **Special improvement districts:** Charges for lighting, sidewalks, or other neighborhood-level improvements.

Which Charges Can Be Challenged?

Challengeable **Ad valorem (value-based) taxes:** The core property tax based on your assessed value. This is what a property tax appeal addresses. Reducing your assessed value reduces this portion of your bill proportionally.

Separate Process **Special assessments and fees:** Flat-rate charges for specific services (stormwater, solid waste, special districts) often have their own dispute process. Contact your county for details.

Not Challengeable **Voter-approved bonds:** Bond levies approved at the ballot box generally cannot be individually challenged through the appeal process.

Where Your Tax Dollars Typically Go

While the exact breakdown varies by jurisdiction, a typical distribution of property tax revenue is:

~45%	~25%	~15%	~15%
Schools	County Services	City/Municipal	Special Districts

These are national averages. Your jurisdiction's breakdown may differ. Check your tax bill or county website for the exact distribution.

Energy Savings & Rebate Finder

Beyond property tax savings, significant financial incentives are available for home energy improvements. Many homeowners are unaware of these programs, which can save hundreds to thousands of dollars per year on energy costs.

Federal Programs (Available Nationwide)

Energy Efficient Home Improvement Credit (25C)
Tax credit of up to $3,200/year for qualifying home energy improvements including insulation, exterior doors, windows, central air conditioners, heat pumps, water heaters, and electrical panel upgrades.

Up to $3,200/year ($1,200 general limit + $2,000 for heat pumps/heat pump water heaters)

Eligibility: Available to all homeowners for improvements to their primary residence. Must meet ENERGY STAR or other efficiency standards.
How to claim: Claim on your federal tax return using IRS Form 5695. Keep receipts and manufacturer certification statements.
Available through: Through December 31, 2032
Details: https://www.energystar.gov/about/federal_tax_credits/tax_credits_702

Residential Clean Energy Credit (25D)
30% tax credit on the cost of solar panels, solar water heaters, battery storage, geothermal heat pumps, fuel cells, and small wind turbines.

30% of total system cost (no maximum limit)

Eligibility: Available to homeowners for installations on any home they own (primary or secondary). Must be a new installation, not previously used.
How to claim: Claim on your federal tax return using IRS Form 5695. Unused credit can carry forward to future tax years.
Available through: 30% through 2032, then 26% in 2033, 22% in 2034
Details: https://www.energystar.gov/about/federal_tax_credits/renewable_energy_tax_credits

High-Efficiency Electric Home Rebate Act (HEEHRA)
Point-of-sale rebates for electrification upgrades: up to $8,000 for heat pumps, $1,750 for heat pump water heaters, $840 for electric stoves/dryers, $4,000 for electrical panel upgrades, and $1,600 for insulation.

Up to $14,000 total in rebates per household

Eligibility: Income-qualified: households earning less than 150% of area median income get the largest rebates. Moderate-income households (150-200% AMI) get 50% rebates. Above 200% AMI are not eligible for HEEHRA rebates.
How to claim: Applied as a point-of-sale discount through participating contractors. Check with your state energy office for availability.
Available through: Funds available until September 30, 2031 or until exhausted

Pennsylvania Programs

Pennsylvania Weatherization Assistance Program
Free home energy efficiency improvements for income-eligible homeowners and renters.
Details: https://dced.pa.gov/programs/weatherization-assistance-program/
Covers insulation, air sealing, heating system efficiency, and health and safety improvements at no cost to qualifying households.

PECO/PPL/Duquesne Light Rebate Programs
Major Pennsylvania utilities offer rebates for energy-efficient equipment, smart thermostats, and home energy audits.
Programs vary by utility. PECO (southeast PA) and PPL (central/eastern PA) have the most extensive programs.

Pennsylvania Solar Rights Act
Protects homeowners' right to install solar energy systems. HOAs cannot unreasonably restrict solar installations.
Pennsylvania does not currently offer a state solar tax credit, but the federal 30% credit applies. Some local governments offer additional incentives.

Contact your electric utility (PECO, PPL, Duquesne Light, FirstEnergy) for current energy efficiency rebate programs and free home energy audits.

Where to Start

For maximum savings, energy efficiency experts recommend this order of improvements:

1. **Air sealing and insulation first.** This has the highest return on investment and enables right-sizing of HVAC equipment. Typical savings: 15-30% on heating and cooling costs.
2. **HVAC heat pump upgrade.** Heat pumps provide both heating and cooling, qualify for the largest rebates, and can reduce energy costs by 30-50% compared to traditional systems.
3. **Water heater replacement.** Heat pump water heaters use 60-70% less energy than conventional models and qualify for substantial rebates.

Federal tax credits require filing IRS Form 5695 with your annual tax return. State and utility programs may have different application processes. Program availability and amounts are subject to change. Consult with a tax professional regarding your specific eligibility.

Appeal Window & Deadline Summary

In Pennsylvania, the process for challenging your property assessment is called an "appeal." Here is what you need to know about timing and deadlines for Philadelphia County.

Mark Your Calendar
Pennsylvania Appeal Deadline: August 1 most counties
Review Board: Board of Assessment Appeals
County: Philadelphia County, Pennsylvania

The typical appeal window in Pennsylvania is **March – August**. During this period, homeowners can file a formal appeal of their assessed property value.

When Your Appeal Window Opens
Your appeal window typically opens when you receive your **Notice of Assessment** from the county. This notice is mailed to property owners, usually in the spring.
Keep this notice. You will need it to file your appeal. It contains your property identification number, current assessed value, and instructions for filing.

Pennsylvania Appeal Process

If you choose to appeal, the process follows these levels:

1. County Assessment Office (Informal)
2. Board of Assessment Appeals
3. Court of Common Pleas
4. Commonwealth Court

An **informal review** is available before the formal hearing in most jurisdictions. This is often the fastest path to resolution.
If you need a complete evidence packet to support your appeal, AppealDesk can generate one with comparable sales analysis, a cover letter, and filing instructions tailored to your property. Visit https://www.appealdesk.com to get started.

This guide is for informational purposes. Exemption eligibility and program details should be verified with your county assessor's office before applying. Energy rebate programs are subject to change and funding availability. Consult with a tax professional regarding your specific eligibility for tax credits.
