If You're Called to a Hearing

You'll have 2–3 minutes to make your case. Bring any supporting documents — appraisals, contractor estimates, or photos of your property's condition:

> *"Thank you for hearing my request. I'd like to request a review of my property's assessed value at 260 Breezy Point Ln, currently appraised at $351,800. I believe the current assessment may not reflect my property's condition and current market conditions in this area. Comparable sales data for properties like mine is limited, which means both this assessment and any market estimate carry significant uncertainty. I've brought supporting documentation for the Board's review and respectfully request that my assessment be reconsidered."*

Tips: Be polite and factual. If you have a recent appraisal, contractor estimate, or photos showing property condition issues, present them. Focus on why the assessed value may not reflect your property's actual condition and market.

Note: Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
