Your Homeowner Savings Guide

Prepared for: **Alex Morgan**
Property: 321 North 11th Street
ESSEX County, New Jersey · Generated March 5, 2026

Property Tax Exemptions & Credits You May Qualify For

Based on your property in ESSEX County, New Jersey, we have identified the following property tax exemption and credit programs that may apply to you. Each program listed below includes eligibility requirements, estimated savings, and instructions for how to apply. *Since we do not collect personal information such as age or veteran status, each program below is listed as "If you qualify..." so you can identify which programs may apply to your household.*

Homestead Benefit Program

Provides a credit applied directly to your property tax bill. The benefit amount varies based on income and whether you are a senior/disabled homeowner.

Estimated Savings: $200-$1,500/year

Eligibility: Must be a New Jersey homeowner who owned and occupied the home as a principal residence on October 1 of the tax year. Income limits apply.
Deadline: Typically November-December (filing period announced annually)
Form: Filed online or by phone (automated system)
Apply: https://www.nj.gov/treasury/taxation/homestead/geninf.shtml
This replaced the former Homestead Rebate. The benefit is applied as a credit on your May property tax bill. Must apply every year.

Senior Freeze (Property Tax Reimbursement)

Reimburses you for property tax increases above a base year amount. Essentially freezes your property taxes at the level from the year you first became eligible.

Estimated Savings: $500-$3,000+/year (increases each year as taxes rise)

Eligibility: Must be 65 or older (or receiving Social Security disability). Must have lived in New Jersey for 10+ consecutive years and in the current home for 3+ years. Annual income must not exceed $163,050 (single) or $163,050 (married filing jointly).
Income Limit: $163,050
Deadline: Typically October-November (announced annually)
Form: PTR-1 or PTR-2
Apply: https://www.nj.gov/treasury/taxation/ptr/index.shtml
One of the most valuable property tax relief programs in the country for qualifying seniors. You must file annually. The reimbursement covers the difference between your base year taxes and your current year taxes.

Veterans Property Tax Deduction

$250 annual deduction from property taxes for qualifying veterans.

Estimated Savings: $250/year

Eligibility: Must be a veteran who served during a qualifying war era or received an Armed Forces Expeditionary Medal. Must be a New Jersey resident.
Deadline: Apply to your local tax assessor
Form: Application through municipal tax assessor
Apply: https://www.nj.gov/treasury/taxation/relief.shtml
This is a flat $250 deduction, not an exemption from assessed value.

Total Disability Exemption
Full property tax exemption for totally and permanently disabled veterans, or a $250 deduction for other disabled persons.

Estimated Savings: Full exemption for disabled veterans; $250/year for others

Eligibility: For full exemption: must be a veteran with 100% permanent disability. For $250 deduction: must be totally and permanently disabled (civilian).
Deadline: Apply to municipal tax assessor
Form: Application through municipal tax assessor
Apply: https://www.nj.gov/treasury/taxation/relief.shtml
Totally disabled veterans receive a full exemption from all property taxes. This is separate from the $250 veteran deduction.

Surviving Spouse/Civil Union Partner Deduction
$250 annual deduction from property taxes for surviving spouses or civil union partners of qualified veterans or emergency responders.

Estimated Savings: $250/year

Eligibility: Must be the surviving spouse or civil union partner of a qualifying veteran. Must not have remarried.
Deadline: Apply to local tax assessor
Form: Application through municipal tax assessor
Apply: https://www.nj.gov/treasury/taxation/relief.shtml
Surviving spouses of 100% disabled veterans may qualify for the full property tax exemption.

Assessment Cap/Freeze
New Jersey does not have an automatic assessment cap. The Senior Freeze program provides effective tax-level protection for qualifying seniors and disabled homeowners.

ANCHOR Property Tax Relief Program
Provides direct property tax relief payments to homeowners and renters. Replaced the Homestead Benefit for some taxpayers.

Estimated Savings: $450-$1,750 depending on income

Eligibility: Homeowners with income up to $250,000 and renters with income up to $150,000. Must have been a New Jersey resident.

Source: https://www.nj.gov/treasury/taxation/relief.shtml

These programs are independent of your property assessment. You can apply for exemptions regardless of whether you file a property tax appeal. Even if your assessment is accurate, you may be overpaying taxes simply because you have not applied for exemptions you qualify for.

Exemption programs and eligibility requirements change periodically. The information above is current as of 2026-03. Verify current requirements with your county assessor's office before applying.

Reassessment Protection Guide

Understanding what triggers a reassessment of your property can help you protect your current assessed value and avoid unexpected tax increases.

Actions That May Trigger Reassessment

- **Building permits:** Pulling a permit for renovations, additions, or structural changes will typically notify the assessor of improvements to your property.
- **Major visible renovations:** Exterior improvements such as new roofing, siding, additions, or added structures (pools, garages, ADUs) may prompt a reassessment even without a permit.
- **Listing on MLS:** Listing your home for sale, even temporarily, can expose a higher market value to the assessor, especially if the listing price significantly exceeds your current assessed value.
- **Refinance appraisals:** In some jurisdictions, a high appraisal obtained during refinancing can become part of the public record and influence your assessment.
- **Insurance rebuild valuations:** Replacement cost estimates from insurance claims can signal a higher property value.
- **Adding structures:** Pools, accessory dwelling units (ADUs), detached garages, and other permanent structures increase your property's value.

How to Protect Your Current Assessment

- **Document your home's current condition:** Take dated photos showing any deferred maintenance, needed repairs, or functional issues. This documentation can support a lower valuation if challenged.
- **Keep records of needed repairs:** Maintain a list of deferred maintenance items (aging HVAC, roof wear, plumbing issues). These reduce your home's value relative to comparable properties.
- **Understand your reassessment schedule:** Know when your county's next reassessment year is so you are not caught off guard by changes.
- **Review your annual assessment notice:** When you receive your notice of assessed value, compare it to the prior year and to recent comparable sales in your neighborhood.

Your state's reassessment cycle: New Jersey reassesses property on a annual basis. Understanding this cycle helps you anticipate when your assessment might change.

What to Do If Your Assessment Increases

If your assessed value increases significantly, you have the right to appeal. The key steps are:

- Review your appeal deadline (see the Appeal Window section of this packet)
- Gather comparable sales data showing your home's actual market value
- Document any property-specific factors that reduce value (condition issues, location drawbacks, functional obsolescence)
- File your appeal before the deadline

AppealDesk can generate a comprehensive evidence packet if your assessment rises in the future. Visit https://www.appealdesk.com to get started.

Understanding Your Property Tax Bill

Your property tax bill includes more than just the base property tax. Understanding each component helps you identify which charges can be challenged and where potential savings exist.

Your Tax Breakdown at a Glance
Based on your current assessment of **$169,000** and annual tax of **$6,427.07**, your effective tax rate is approximately **3.80%**.
The effective rate includes all taxing jurisdictions (school district, county, city, and special districts) combined.

How Your Tax Is Calculated

The core formula is: **Assessed Value x Tax Rate = Base Property Tax**. Your total bill then adds special district assessments, voter-approved bonds, and various fees on top of this base amount.

Common Line Items You May See

- **School district levy:** Typically the largest portion (often 40-50% of total). Funds local public schools and sometimes community colleges.
- **County general fund:** Covers county services including roads, courts, public safety, and administration.
- **City/municipal tax:** Funds city services such as police, fire, parks, and infrastructure. Only applies if you live within city limits.
- **Fire/emergency services district:** Funds local fire protection and emergency medical services. Common in unincorporated areas.
- **Library district:** Funds local library operations and programs.
- **Stormwater/drainage fees:** Based on impervious surface area. Some jurisdictions bill these separately from the tax bill.
- **Voter-approved bonds:** Debt service on bonds approved by voters for schools, infrastructure, parks, or other public projects.
- **Solid waste assessment:** Some jurisdictions include trash collection fees on the property tax bill.
- **Special improvement districts:** Charges for lighting, sidewalks, or other neighborhood-level improvements.

Which Charges Can Be Challenged?

Challengeable **Ad valorem (value-based) taxes:** The core property tax based on your assessed value. This is what a property tax appeal addresses. Reducing your assessed value reduces this portion of your bill proportionally.

Separate Process **Special assessments and fees:** Flat-rate charges for specific services (stormwater, solid waste, special districts) often have their own dispute process. Contact your county for details.

Not Challengeable **Voter-approved bonds:** Bond levies approved at the ballot box generally cannot be individually challenged through the appeal process.

Where Your Tax Dollars Typically Go

While the exact breakdown varies by jurisdiction, a typical distribution of property tax revenue is:

~45%	~25%	~15%	~15%
Schools	County Services	City/Municipal	Special Districts

These are national averages. Your jurisdiction's breakdown may differ. Check your tax bill or county website for the exact distribution.

Energy Savings & Rebate Finder

Beyond property tax savings, significant financial incentives are available for home energy improvements. Many homeowners are unaware of these programs, which can save hundreds to thousands of dollars per year on energy costs.

Federal Programs (Available Nationwide)

Energy Efficient Home Improvement Credit (25C)
Tax credit of up to $3,200/year for qualifying home energy improvements including insulation, exterior doors, windows, central air conditioners, heat pumps, water heaters, and electrical panel upgrades.

Up to $3,200/year ($1,200 general limit + $2,000 for heat pumps/heat pump water heaters)

Eligibility: Available to all homeowners for improvements to their primary residence. Must meet ENERGY STAR or other efficiency standards.
How to claim: Claim on your federal tax return using IRS Form 5695. Keep receipts and manufacturer certification statements.
Available through: Through December 31, 2032
Details: https://www.energystar.gov/about/federal_tax_credits/tax_credits_702

Residential Clean Energy Credit (25D)
30% tax credit on the cost of solar panels, solar water heaters, battery storage, geothermal heat pumps, fuel cells, and small wind turbines.

30% of total system cost (no maximum limit)

Eligibility: Available to homeowners for installations on any home they own (primary or secondary). Must be a new installation, not previously used.
How to claim: Claim on your federal tax return using IRS Form 5695. Unused credit can carry forward to future tax years.
Available through: 30% through 2032, then 26% in 2033, 22% in 2034
Details:
https://www.energystar.gov/about/federal_tax_credits/renewable_energy_tax_credits

High-Efficiency Electric Home Rebate Act (HEEHRA)
Point-of-sale rebates for electrification upgrades: up to $8,000 for heat pumps, $1,750 for heat pump water heaters, $840 for electric stoves/dryers, $4,000 for electrical panel upgrades, and $1,600 for insulation.

Up to $14,000 total in rebates per household

Eligibility: Income-qualified: households earning less than 150% of area median income get the largest rebates. Moderate-income households (150-200% AMI) get

50% rebates. Above 200% AMI are not eligible for HEEHRA rebates.
How to claim: Applied as a point-of-sale discount through participating contractors. Check with your state energy office for availability.
Available through: Funds available until September 30, 2031 or until exhausted
Details: https://www.energy.gov/scep/home-energy-rebates-programs

New Jersey Programs

New Jersey Clean Energy Program
Comprehensive suite of rebates for residential efficiency improvements including HVAC, insulation, water heaters, and home energy audits.
Details: https://njcleanenergy.com/residential
One of the most generous state efficiency programs. Rebates available for whole-home energy assessments and specific equipment upgrades.

NJ Solar Successor Incentive (SuSI) Program
Financial incentives for new solar installations through Administratively Determined Incentive (ADI) payments over 15 years.
Details: https://njcleanenergy.com/renewable-energy/programs/susi-program
Provides approximately $90-$100/MWh in additional incentive payments, making New Jersey one of the best states for solar ROI.

NJ Solar Property Tax Exemption
Solar and wind energy systems are 100% exempt from local property taxes in New Jersey.
Automatic exemption under NJ law. Your property taxes will not increase from installing solar or wind energy systems.

Visit njcleanenergy.com for a full list of available rebates and incentives from your specific utility (PSE&G, JCP&L, Atlantic City Electric).

Where to Start

For maximum savings, energy efficiency experts recommend this order of improvements:

1. **Air sealing and insulation first.** This has the highest return on investment and enables right-sizing of HVAC equipment. Typical savings: 15-30% on heating and cooling costs.
2. **HVAC heat pump upgrade.** Heat pumps provide both heating and cooling, qualify for the largest rebates, and can reduce energy costs by 30-50% compared to traditional systems.
3. **Water heater replacement.** Heat pump water heaters use 60-70% less energy than conventional models and qualify for substantial rebates.

Federal tax credits require filing IRS Form 5695 with your annual tax return. State and utility programs may have different application processes. Program availability and amounts are

subject to change. Consult with a tax professional regarding your specific eligibility.

Your Assessment Looks Favorable Today. Let Us Watch It for You.

Your current assessment is at or below market value, which means you are in a strong position. But assessments change. Property Tax Watch ensures you are alerted the moment your assessment rises above market value so you can take action immediately.

- ✓ **Annual assessment change alerts** delivered to your inbox when your county updates your property value
- ✓ **Automatic overassessment detection** comparing your assessed value against current market data
- ✓ **Filing deadline reminders** so you never miss your window to appeal

Appeal Window & Deadline Summary

In New Jersey, the process for challenging your property assessment is called an "appeal." Here is what you need to know about timing and deadlines for ESSEX County.

Mark Your Calendar
New Jersey Appeal Deadline: April 1 or October 1 in some
Review Board: County Board of Taxation
County: ESSEX County, New Jersey

The typical appeal window in New Jersey is **January – April**. During this period, homeowners can file a formal appeal of their assessed property value.

When Your Appeal Window Opens
Your appeal window typically opens when you receive your **Notice of Assessment** from the county. This notice is mailed to property owners, usually in the spring. **Keep this notice.** You will need it to file your appeal. It contains your property identification number, current assessed value, and instructions for filing.

New Jersey Appeal Process

If you choose to appeal, the process follows these levels:

1. County Board of Taxation
2. Tax Court of New Jersey
3. Appellate Division

An **informal review** is available before the formal hearing in most jurisdictions. This is often the fastest path to resolution.

If you need a complete evidence packet to support your appeal, AppealDesk can generate one with comparable sales analysis, a cover letter, and filing instructions tailored to your property. Visit https://www.appealdesk.com to get started.

This guide is for informational purposes. Exemption eligibility and program details should be verified with your county assessor's office before applying. Energy rebate programs are subject to change and funding availability. Consult with a tax professional regarding your specific eligibility for tax credits.
