## If You're Called to a Hearing

Bring your Evidence Packet. You'll have 2–3 minutes to make your case. Keep it simple and focus on the comparable sales:

> *"Thank you for hearing my appeal. My property at 22794 Doc McDuffie Rd is currently appraised by the county at $209,600, resulting in a taxable assessed value of $20,960 at AL's 10% assessment ratio. However, I've gathered 4 recent sales of similar homes in the area. The 25th percentile price per square foot of these comparable properties is $154. Applied to my home's 1,000 square feet, this supports a market value of approximately $153,899. I've included addresses, sale prices, and details for each comparable in my evidence packet. I respectfully request the Board adjust my assessment to reflect actual market conditions."*

**Tips:** Be polite and factual. Focus only on whether your property's *value* is correct compared to similar homes that recently sold.

**Note:** Filing requirements may change. We recommend confirming all deadlines, forms, and contact information with your county assessor's office before submitting your appeal.
